

HAPTECT 46

SOFT & SUPPLE PROTECTIVE BARRIER

- Haptect 46 offers a distinct “smooth as silk” feel for a luxurious yet practical surface. With a unique soft and supple hand, it provides a good protective finish for easy cleaning.

SPECIFICATIONS

- Easily wipe away unwanted denim dye transfer, coffee and wine spills with mild soap and water.
- Achieves above average abrasion resistance at 100,000 cycles Wyzenbeek and 1,000 cycles of Taber.
- Exceptional flex resistance with no cracking, crazing, or delaminating.
- No crocking or face-to-face blocking, even at elevated temperatures.

CLEANING INSTRUCTIONS

- Cleans well with a mild soap and water mixture as well as with other common household cleaners.
- Bleach cleanable using a solution of ten parts water to one part bleach.
- May be disinfected with a bleach solution or other common household disinfectants; use the disinfection guide for more information.
